

Karolina Tymochowicz

Graphic Designer | Web Designer | Project Manager

Graphic designer with nearly 10 years of experience in digital and print design as well as web design. As my career developed, I expanded my role to include project management, client communication and creative team coordination. Today, I combine hands-on design with managing the entire delivery process – from the initial brief and workflow planning to final project completion and billing.

Skills

Adobe Creative Suite	Print
Affinity	Web Design
Figma	RC cards
Wordpress	Video Editing
html/css	On/offline banners
